WANTED LEVEL

Wanted stars: four states

The stars do not only count up. Their look tells you what the police know right now. Up to six stars.

SEEN IN THE EXTENDED LOOK · REPORTED BY SEVERAL OUTLETS

Hollow outline

A crime was reported, but the police have no description of you yet.

DO **Walk away calmly. Do not give them a reason to look at you.**

Solid white

The police have a line of sight on you. The chase is on.

DO **Break line of sight: corners, alleys, interiors.**

Flashing

They lost sight of you and are trying to find you again.

DO **Stay out of view and keep moving away from where they last saw you.**

Red

You escaped, but you are still inside the search area.

DO **Leave the search area before you relax. Being spotted restarts the chase.**
